A FREE design and layout service is available, without obligation.  
Ideal for Lottery Funding Applications.

## BOXED ARCHIVE STORAGE SOLUTIONS

A choice of short-span shelving systems to suit the application and the client's budget. Adjustability is paramount to ensure maximum utilisation of the available storage capacity, irrespective of the box size used.

## WIDE ACCESS RACKING

Hand-loaded bulk storage shelving with the added benefit of heavy load capacity. A wide range of box sizes, shapes and weights can be stored effectively and efficiently.

## HIGH DENSITY BULK STORAGE SOLUTIONS

A combination of storage products designed to store large numbers of diverse items within a collection, where high volume utilisation together with a low cost per item stored are major benefits.

## MOBILE SHELVING

Increase capacity by up to 100% or reduce floor space by as much as 45% compared with conventional static shelving. All of our shelving systems can be mounted onto mobile bases to save valuable floor space or increase storage capacity.
