

# ENVIRONMENTAL

metalraxstorage offers a complete design, manufacture and installation service for the storage needs of Industry, Commerce, the High Street, Third Party Distribution, Education, The Heritage and Leisure World together with Government Departments, the Health Service, Institutions and the Automotive Sector.

metalraxstorage has over 50 years experience and recognises the important impact of its business activities and services on its employees, customers, the public and the environment. It is the intention of metalraxstorage to minimise any adverse environmental effects and to promote good environmental business practice.

metalraxstorage is committed to:

- Ensuring compliance with applicable legal and other requirements.
- Prevention of pollution and the minimisation of waste.
- The elimination of or reduction in the use of hazardous materials.

metalraxstorage is committed to continual improvement by establishing and reviewing environmental objectives and targets and monitoring performance.

This policy is communicated to everyone working for, or on behalf of metalraxstorage and is available, on request, to the public and other interested parties.

Matt Trobe  
Managing Director
