QB2 & QBL ARCHIVE SHELVING

QB2 & QBL are fully adjustable, bolt-free shelving systems unique to Metalrax. If full compliance with BS5454 is required then this is the system of choice.

STANDARD BOOK SHELVING

Capital shelving is a robust and economical option for the storage of books, files and general office items. Designed for the office environment this adaptable storage product is the ideal solution where space is at a premium.

BOXED ARCHIVE STORAGE SOLUTIONS

A choice of short-span and wide access shelving systems to suit the application and the client's budget. Adjustability is paramount to ensure maximum utilisation of the available storage capacity, irrespective of the box size used.

MOBILE SHELVING

Increase capacity by up to 100% or reduce floor space by as much as 45% compared with conventional static shelving. All of our shelving systems can be mounted onto mobile bases to save valuable floor space or increase storage capacity.
